1. My recollections concerning the Hungarian Air Force chain of command are summarized in the chart herewith See Enclosure. It is noteworthy that the Air Force (as well as the ground forces) is administratively and operationally subordinate to the Home Defense Ministry, but also receives instructions directly from the Political Leader.
2. I cannot specify the Corps and Divisions which comprise the Hungarian Air Force. Nor am I able to recall any air units by name and number excepting the following training units:

4257/CS (CS: Csata)
Assault (ground attack) Training
Regiment at Kecskemet.

4257/V (V: Vadasz)
Fighter Training Regiment at
Kecskemet.

8355
Officers' Flying School (Primary)
at Szolnok.
